This project was made possible with assistance from the ACT Government under the ACT Adult Community Education Grants Program.

SPARK Ginninderry and Uniting Care Kippax proudly support training and employment initiatives for local people.

Uniting Care Kippax in partnership with SPARK are again delivering the highly successful Kippax Connection program. This program links people from Belconnen to vocational education, training and employment opportunities.

Kippax Connections uses a person centred approach to design a customised pathway for each participant that can include:

- One on one tutoring to help improve numeracy and literacy
- Individual mentoring to support connections to volunteering, education, training and job opportunities
- Individual and group sessions to suit the learning style of the participant
- Financial counselling and budgeting assistance

This program will commence in February and runs through to December 2019. Eligibility criteria apply and places are limited. Contact Gemma Papworth on 6254 1733 for more information.
