Where
Uniting Care Kippax

Cnr Luke Street and Hardwick Cres Holt

Costs

This program is funded by the Australian Government's Launch into Work program. Job seekers on the jobactive, Transition to Work and ParentsNext caseloads are eligible to participate at no cost. Individuals not on these caseloads may still be able to participate but will be required to undergo an eligibility check.

Master Builders ACT together with SPARK and our partners are proud to launch this innovative training program to encourage more women to consider a career in the civil construction industry. Civil Construction is an exciting part of the sector with interesting roles across the planning, design and creation of major infrastructure projects and this program will provide participants with specialised accredited training and employment pathways.

Specifically targeting women from the Capital Region, this program will:

- Provide participants with seven units of the Certificate III in Civil Construction Plant Operations (RII30815)
- Provide participants with 10675NAT - Asbestos Awareness
- Provide participants with CPCCWHS1001 – Prepare to Work Safely in the Construction Industry – White Card
- Provide a range of interesting workshops including resilience, mental health and wellbeing, time management and more
- Provide a four-week work placement within the civil sector with one of our partner contractors
- Provide guaranteed jobs for successful program graduates

Commencing Monday 29 April 2019, this 10-week program will run five days per week and be a combination of theory, practical hands-on learning and industry work placement.

The information session will provide individuals with advice on eligibility criteria, program content and the commitment that is required to be selected as a participant on this program.

SPARK and Master Builders ACT acknowledge our program partners and thank them for their participation.
