SPARK Ginninderry proudly supports training and employment initiatives for local people.

SPARK in partnerships with North Belconnen Community Association Inc., YMCA Canberra, Canberra City Care and Canberra Institute of Technology are delivering an innovative accredited training program focusing on skills development, work experience and employment within the Early Childhood Education and Care sector.

The information session will provide individuals with advice on eligibility criteria, program content and the commitment that is required to be selected as a participant on this program.

Please note; those individuals who wish to be considered for this program MUST have applied for a Working With Vulnerable People card and produced the receipt before being offered a place on the program.

Specifically targeting people living within Belconnen and the wider region, this program will:

- Provide participants with a Certificate III in Early Childhood Education and Care (CHC30113) upon successful completion
- Deliver a First Aid Certificate in Early Childhood Settings
- Provide industry specific training designed in partnership with the Early Childhood Education and Care sector
- Provide real employment pathways within the Early Childhood Education and Care sector for participants who meet the criteria
- Provide industry based work placements within the Early Childhood Education and Care sector.

Commencing Monday 23 March 2020, this 8 month program will run 4 days per week (Mon–Thurs, 30 hours per week) and be a combination of theory, practical hands on learning and industry work experience.

Overall it’s just an amazing course that sounds too good to be true, but it’s not too good to be true, it’s just amazing.”
