Mr David Maxwell
Managing Director
Ginninderry
PO Box 484
KIPPAX ACT 2615

E: [REDACTED]

Cc: [REDACTED]

Dear Mr Maxwell

David

Thank you for your letter of 22 November 2018 seeking endorsement of management plans for the Ginninderry residential development as required by your *Environment Protection and Biodiversity Conservation Act 1999* (EPBC Act) approval.

The management plans you have provided are:

- the Ginninderry Conservation Corridor Management Plan 2018-2023 (September 2018)
- the Ginninderry Development Offset Management Plan (for Pink-tailed Worm Lizard and Box-Gum Woodland) (5 October 2018)
- the *Gooromon Grasslands*: Offset Management Plan 2018-2023 (October 2018)
- the Ginninderry Development Construction Environmental Management Plan (CEMP) Framework (12 October 2018).

I note that under the EPBC Act approval you require endorsement from the Conservator of Flora and Fauna, which you achieved and provided to me, and my approval of the plans.

Having reviewed the plans, I am satisfied that they meet the commitments of the EPBC Act approval and the Program Report (Urban Development at West Belconnen (A T Adams Consulting, 18 April 2017)). I am satisfied that, when implemented, the plans will deliver the conservation outcomes set out in the EPBC Act approval and the Program Report. Therefore, I approve the plans listed above.

@GENTLEMANMick

MickGentleman

The Ginninderry Conservation Corridor Management Plan that I am approving is an interim, non-statutory plan. As required by the Program Report, this interim plan will be required to proceed through the statutory reserve management plan process under the *Nature Conservation Act 2014* and I note that you intend to incorporate it into the statutory review of the broader Murrumbidgee River Corridor Plan of Management. I note that you have received agreement from the Commonwealth Department of the Environment and Energy for this course of action.

Thank you for providing the management plans for my approval.

Yours sincerely

Mick Gentleman MLA
Minister for the Environment and Heritage
