### SPARK Ginninderry and the Canberra Institute of Technology proudly support training and employment initiatives for local people.

SPARK in partnership with the Canberra Institute of Technology (RTO Code: 0101) and the Ginninderry Conservation Trust are delivering an innovative training program focused on giving individuals accredited training within the Conservation Land Management sector. This program will introduce participants to career options and the range of associated vocational pathways.

The information session will provide individuals with advice on eligibility criteria, program content and the commitment required to be selected as a participant on this program.

Specifically targeting people living within the Australia Capital Territory, this program will provide participants with:

- Eight accredited units of competency from the Conservation Land Management qualification; these include:
  1. Operate specialised machinery and equipment (AHCMOM305)
  2. Identify Plant Specimens (AHCPMG303)
  3. Control Weeds (AHCPMG301)
  4. Erect Timber Structures & Features (AHCLSC304)
  5. Collect Native Seeds (AHCNAR305)
  6. Maintain natural areas (AHCNAR301)
  7. Implement revegetation works (AHCNAR303)
  8. Undertake sampling and testing of water (AHCLPW306)
- General Construction Induction Card (White Card)
- Asbestos Awareness Card

Commencing 26 July 2021, this 17 week program will run four days per week (Monday–Thursday, 24 hours per week) and be a combination of practical hands on learning, theory and industry work experience placements. Please note the program will be delivered at 2 locations – CIT Bruce and Ginninderry.

**“You can walk in with a lack of confidence and by the time you leave you’re full of confidence, and that is due to the support you are given along the way” – Angela Ebner (2020 SPARK Participant)**
