

# SPARK Program Schedule

**January - June 2022**

SPARK is Ginninderry's unique training and employment initiative, born out of our commitment to improving the education, social, and economic outcomes of residents in the local area.

Our dedicated team partners with a wide variety of registered training organisations, stakeholders and employers to deliver a diverse range of programs.

The following programs will commence in the first half of 2022.

Program	Month
Business Services Program	March to May
Women in Civil Construction Program	February to April
Hospitality Industry Taster	March to April
Early Childhood Education & Care Program	March to October
Construction Industry Taster	May to June
