

Ginninderry Training +
Employment Initiative

The Ginninderry Construction Taster Program

SPARK Ginninderry and Canberra Institute of Technology proudly support training and employment initiatives for local people.

SPARK in partnership with the Canberra Institute of Technology (RTO code:0101), Programmed and Alexander Watson are delivering an innovative accredited training program focused on skills development, work experience and an introduction to a variety of Construction skill sets.

Specifically targeting people living within the Australian Capital Territory, on successful completion this program will provide participants with the following units of competency and non-accredited training in the construction sector –

- ASBIRA001 – Identify and report asbestos containing materials
- CPCCCM3001 – Operate elevated work platforms
- CPCCCM2012 – Work safely at heights
- CPCCCM2008 – Erect and dismantle restricted height scaffolding
- HLTAID009 – Provide Cardiopulmonary resuscitation
- HLTAID010 – Provide basic emergency life support
- HLTAID011 – Provide First Aid
- CPCCOHS2001A – Apply OHS requirements, policies and procedures in the construction industry
- CPCCWHS1001 – Prepare to work safely in the construction industry
- CPCCCM2004A – Handle construction materials*
- Provide non accredited training that focuses on practical skills development for insulation installation
- Industry work experience placements on offer with Programmed and potential employment pathway opportunities, including apprenticeships.

Commencing Monday 9 May 2022, this 5-week program will run 4 days per week (Mon – Thurs, 28 hours per week) and be a combination of theory, practical hands on learning and industry work placement. All classes will be located at CIT Bruce Campus.
