MyGinninderry

This exhibition arose from the successful MyGinninderry Photography Competition held during the September-October 2021 COVID-19 Lockdown in the ACT.

The competition produced many beautiful photographs from the community and it was decided to bring some of the top entries to the public through this exhibition.

The photos reveal a love for the landscape and community of Ginninderry. Through residents eyes, we see what is valued in the places they live, work and play; most notably, an appreciation for the natural landscape around Ginninderry and the stunning sunsets over the Brindabella Mountain Ranges.

Many of the artworks are for sale. However, with the support of Ginninderry, the photographers have asked that any proceeds from sales go directly to charity.

Unless otherwise noted, all proceeds will be gifted to HelpingACT, recognising the month of Ramadan from 1 April to 1 May. HelpingACT facilitates and encourages members of our diverse society to give to those who need it, resulting in more compassionate and caring community. HelpingACT distributes food to many of Canberra's most needy, focusing on recent migrants and refugees. www.helpingact.org/donate

If you would like to purchase an artwork, please contact Tom Gray, and we will mark the artwork as sold.
