JobTrainer Conservation & Horticulture Taster Program

SPARK Ginninderry and the Ginninderry Conservation Trust proudly support training and employment initiatives for local people.

SPARK, in partnership with the Canberra Institute of Technology (RTO Code: 0101) and the Ginninderry Conservation Trust, are delivering an innovative training program focused on giving individuals accredited training and field experience within the Conservation and Ecosystem Management & Horticulture sector. This program will introduce participants to career options and the range of associated vocational pathways.

The information session will provide individuals with advice on eligibility criteria, program content and the commitment required to be selected as a participant on this program.

Specifically targeting people living within the Australia Capital Territory, this program will provide participants with:

- Operate specialised machinery and equipment (AHCMOM305)
- Identify Plant Specimens (AHPCPM303)
- Control Weeds (AHCPMG301)
- Erect Timber Structures & Features (AHCLSC304)
- Collect Native Seed (AHCNAR305)
- Undertake sampling and testing of water (AHCLPW306)
- Work safely with asbestos containing materials (NAT10852001)
- Prepare to Work Safely in the Construction Industry - White Card (CPCCWHS1001)
- Personal Protective Equipment
- Botanical Guide to the ACT

Commencing 15 August 2022, this 15 week program will run three days per week (Monday - Wednesday, 24 hours per week) and be a combination of practical hands on learning, theory and live training experience in the Ginninderry Conservation Corridor. Please note the program will be delivered at 2 locations – CIT Bruce and Ginninderry.

“The support I’ve had has been good. It’s been a very flexible, informational course.” - Brian Walters 2021 participant
