Dear Miss Featherstone

West Belconnen (Ginninderry) Strategic Assessment – 2021-2022 Annual Report

Thank you for the *West Belconnen (Ginninderry) Strategic Assessment 2021-2022 Annual Report* (the report). Apologies for the delay in getting back to you.

We appreciate the inclusion of the findings of the *Ginninderry Strategic Assessment 2022 Independent Audit* (Audit Report) and that feedback previously provided by the department was considered in preparation of the report.

The department has identified a few administrative errors in the report. To ensure the information in the report is clear and easily accessible to the public, please undertake a thorough spell check and ensure that functional links are provided where documents and the Ginninderry Reports Library are referenced. Additionally, please include a note above Table 1 of the report stating that the findings of the Audit have been incorporated into the table.

Please ensure the final report is published on the relevant website within one month of the date of this letter. Once again, thank you for your ongoing engagement on the delivery of the Ginninderry Strategic Assessment.

Yours sincerely

Terri-Ann English
A/g Director
Environment Assessment (NSW ACT) Section
