JobTrainer Ginninderry Construction Taster Program

SPARK Ginninderry and Canberra Institute of Technology proudly support training and employment initiatives for local people.

SPARK in partnership with the Canberra Institute of Technology (RTO code:0101) and Programmed are delivering an innovative accredited training program focused on skills development, work experience and an introduction to a variety of Construction skill sets.

Specifically targeting people 17 years and over and living within the Australian Capital Territory. On successful completion this program will provide participants with the following units of competency and non-accredited training in the construction sector:

- 11084NAT - Asbestos Awareness
- CPCCBL2001 - Handle and prepare bricklaying and blocklaying materials
- CPCCBL2002 - Use brick and block laying tools and equipment
- CPCCCA2002 - Use carpentry tools and equipment
- CPCCCA2011 - Handle carpentry materials
- CPCCOM1015 - Carry out measurements and calculations
- CPCCCM2004 - Handle construction materials
- CPCCJN2001 - Assemble components
- CPCCWHS2001 - Apply WHS requirements, policies and procedures in the construction industry
- CPCCPD2011 - Handle painting and decorating materials
- CPCCWF2001 - Handle wall and floor tiling materials
- CPCWHS1001 - Prepare to Work Safely in the Construction Industry - White Card
- Industry work experience placements on offer with Programmed and potential employment pathway opportunities.

Commencing Monday 6 March 2023, this 8 – 10 week program will run 4 days per week (Mon – Thurs, 28 hours per week) and be a combination of theory, practical hands-on learning and industry work placement. All training will be delivered on a live training site at St John the Apostle Kippax, in Holt.
