

Ginninderry Community Services & Development Reference Group

Expressions of Interest Form

Ginninderry is evolving the People and Places Group and the Transport and Travel Advisory Group into establishing a Community Services & Development Reference Group (CSDRG).

The purpose of the CSDRG is to help shape the development of Ginninderry and its impact on the Capital Region. Acting as a conduit for diverse perspectives and interests across the region, the CSDRG will sit alongside other Ginninderry Advisory Groups to provide Community Services and Development-related advice to Riverview Projects to ensure that development aligns with the needs, values, and aspirations of the whole community.

As a member of this group, you will play a crucial role in guiding the future of Ginninderry. The CSDRG will encourage discussion and cooperation among stakeholders, promoting transparency, accountability, and inclusivity in decision-making.

Expressions of interest will close at 5pm on 9 August, and members will be confirmed from 26 August, 2024.
