

Renewables Pre-employment Program for Migrants/Refugees

The Ginninderry SPARK Training & Employment Initiative together with Neoen and the Canberra Institute of Technology proudly support training and employment initiatives for local people.

SPARK, in partnership with the Canberra Institute of Technology (RTO code: 0101), Neoen, Uniting Care Kippax, Multicultural Hub Canberra, Construction Industry Training Council, ACT Training Fund Authority and The Umbrella Collective, are delivering an innovative program focused on supporting and upskilling migrants/refugees in the Capital Region for education, training and employment pathways within the renewables sector.

Participants on this program will receive accredited training related to the construction sector as well as non-accredited training in Australian Workplace Culture, Conversational English, Bullying and Harassment Prevention. Personal and Protective Equipment (PPE) will be provided for each participant. Industry site tours and guest speakers will also be part of the program.

Specifically targeting migrants/refugees (17 years and over) living within the Capital Region, this program will deliver:

- Prepare to work safely in the construction industry (CPCWHS1001)
- Prevent crystalline silica exposure (NAT10830001)
- Identify and report asbestos containing materials (NAT11084001)
- Apply WHS requirements, policies and procedures in the construction industry (CPCCWHS2001)
- Work safely at heights (CPCCCM2012)
- Operate elevated work platforms up to 11 metres (CPCCCM3001)
- Erect and dismantle restricted height scaffolding (CPCCCM2008)
- Enter and work in confined spaces (RIIWH202E)

Commencing Monday 2 September 2024, this 4-week program will run 4 days per week (Mon – Thurs, 28 hours per week) and be a combination of theory and practical hands-on learning.
