

Construction commencing on Strathnairn ECEC – Year 6 School

Dear Residents,

We are excited to inform you that works have commenced on the construction of the new ACT Government's ECEC-Year 6 public school in Strathnairn. Icon SI (Aust) Pty. Ltd have been engaged as the Head Contractor. The new school will be constructed on the site directly adjacent to Pro Hart Avenue and adjacent to "The Link" building. The new school will have a capacity for 780 students and has been designed to enable a future 200 student expansion if required. The Early Childhood Education and Care (ECEC) will have capacity for 130 students. Works on the new surrounding roads will run concurrently to the development of the school site by a different contractor. Residents can expect some additional construction vehicle movements in the area over the coming months.

Project Overview:

- Project: Strathnairn ECEC – Year 6 School
- Location: Corner of Pro Hart Ave & McClymont Way, Strathnairn
- Working Hours: Monday to Friday 7am to 5pm. Saturday 7am to 3pm (if required)

We are committed to minimise any disruptions caused by the construction work and will ensure all measures are taken to manage noise, dust and traffic in the area. You may notice an increase in construction vehicles and equipment during this time, but rest assured that safety remains our top priority.

Construction Impact:

- Increased traffic around Pro Hart Avenue, McClymont Way and Asimus Avenue
- Temporary Road Closures
- Noise during working hours
- Dust mitigation strategies will be in place

We greatly appreciate your patience and understanding as we work on this important project.

Kind Regards,

The Icon SI Strathnairn ECEC - Year 6 Project Team
