SPARK Construction Taster Program

SPARK proudly supports training and employment initiatives for local people.

SPARK have collaborated with the Canberra Institute of Technology (RTO:0101) to deliver an innovative accredited training program focused on skills development, work experience and an introduction to a variety of construction skills.

Targeting people living across the Canberra region who are 17 years of age or older and have completed high school/college. This SPARK program includes:

- Prepare to work safely in the construction industry - CPCWHS1001
- Prevent crystalline silica exposure - NAT10830001
- Identify and report asbestos containing materials - NAT11084001
- Apply WHS requirements, policies and procedures in the construction industry - CPCCWHS2001
- Carry out measurements and calculations - CPCCOM1015
- Undertake a basic construction project - CPCCVE1011.

Industry work experience placements on offer with SPARK partners and potential employment pathway opportunities.

Commencing Wednesday 5 March 2025, this 5-6 week program will run 3 days per week (Wed - Fri, 18-24 hours per week) and be a combination of theory, practical hands-on learning and industry work placement. All training will be delivered on site at the Canberra Institute of Technology Bruce campus.

Information Session

The information session will provide individuals with advice on program content, eligibility criteria and the commitment that is required to be selected as a participant on this program. It is mandatory that all individuals seeking to be on the program attend this session. This is a two-part session broken into:

1. an information presentation followed by
2. a selection session for eligible individuals.

When

Thursday 20 February 2025
10:30am - 12 noon

Where

UnitingCare Kippax
Corner of Luke Street and Hardwick
Crescent, Holt

Costs

Places may be available under the ACT's Fee-Free TAFE program for those that meet eligibility criteria. Fee-Free TAFE is a jointly funded initiative of the ACT and Australian governments.
