Women in Construction Taster Program

SPARK proudly supports training and employment initiatives for local people.

SPARK have collaborated with the Canberra Institute of Technology (RTO:0101), The Umbrella Collective, Uniting Care Kippax, Build Like A Girl, and Capital Local Jobs Program to deliver an innovative accredited training program focused on skills development, work experience and an introduction to a variety of construction skills.

Participants on this program will receive accredited training related to the construction sector as well as non-accredited training in resume and interviews and Bullying and Harassment Prevention. Personal and protective equipment (PPE) will be provided for each participant. Industry site tours and guest speakers will also be part of the program.

Targeting women living across the Canberra region who are 17 years of age or older and are not currently enrolled in high school or college:

- Prepare to work safely in the construction industry - CPCWHS1001
- Prevent crystalline silica exposure - NAT10830001
- Identify and report asbestos containing materials - NAT11084001
- Apply WHS requirements, policies and procedures in the construction industry - CPCCWHS2001
- Carry out measurements and calculations - CPCCOM1015
- Undertake a basic construction project - CPCCVE1011
- Handle construction materials - CPCCCM2004.

Industry work experience placements on offer with SPARK partners and potential employment pathway opportunities.

Commencing Wednesday 22 October 2025, this 7-week program will run 3 days per week (Wed–Fri, 18–24 hours per week) and be a combination of theory, practical hands-on learning and industry work placement. Training will mostly be delivered on site at the Canberra Institute of Technology Bruce campus with some sessions being delivered at Ginninderry.
