Ginninderry Community Grant and Sponsorship Program

The Ginninderry Community Grant and Sponsorship Program encourages and supports the development of community and industry initiatives that align with Ginninderry's vision.

Applications for our July 2026 - June 2027 program are now open and our team are on the look out for opportunities to build capacity, encourage participation and support initiatives that promote partnerships and collaborations that strengthen our community.

Community Grants

Projects that support the development of community initiatives within the Ginninderry community. These could include things like a street pantry, public art opportunities, a trivia night, dog park event - or anything else you can think of that would enhance the community.

Total of $10,000 available in community grant pool.

Sponsorship

Sponsorship opportunities in the Capital Region that fall broadly under three key areas – community support and development, environment and sustainability, and industry partnerships. In previous years this grant has helped support a range of sporting and community organisations, art programs, sustainability initiatives and industry related activities.

Total of $85,000 available in sponsorship pool.

Applications close Sunday 17 May 2026.
Notice of decision will be provided by 29 May 2026.

Download the application form.
